1. Background research sufficient 2. Citations complete	Places for Improvement			Strong Points		

EXPERIMENTAL DESIGN	Needs Improvement	Poor	Fair	Good	Outstanding	Score
	1 - 6	7 - 12	13-18	19-24	25-30	
1. Problem sufficiently limited 2. Hypothesis is based on background research 3. Procedure describes the investigation clearly 4. Appropriate number of trials/test subjects 5. Variables clearly defined 6. Proper use of a control	Places for Improvement			Strong Points		

OBSERVATIONS & RESULTS	Needs Improvement	Poor	Fair	Good	Outstanding	Score
	1 - 4	5 - 8	9 - 12	13 - 16	17 - 20	
1. Data tables titled and properly labeled 2. Graphs titled and properly labeled 3. Average of all trials given 4. Summary of data given	Places for Improvement			Strong Points		

CONCLUSIONS & ACKNOWLEDGEMENTS	Needs Improvement	Poor	Fair	Good	Outstanding	Score
	1 - 6	7 - 12	13-18	19-24	25-30	
1. Stated whether the hypothesis was correct, partially correct, or incorrect 2. Cited data used for drawing conclusion 3. Identified problems that occurred and what could be done to solve them 4. Stated usefulness of research (who would benefit) 5. Included direction for further research 6. Gave credit to those that assisted in any way	Places for Improvement			Strong Points		

PRESENTATION	Needs Improvement	Poor	Fair	Good	Outstanding	Score
	1 - 2	3 - 4	5 - 6	7 - 8	9 - 10
